STYLE BOARD

CUSTOM UPHOLSTERY

From Nathan Anthony, the Jaime sectional is a custom design by Jaime Derringer and Olivia Stutz. Features oversized cushions and a single-arm, low profile frame. Add a center sofa to create a sectional. www.nafurniture.com

MADE TO ORDER

From fabrics to legs, these custom upholstery pieces can be tailored to your specifications.

BY AMY MCINTOSH

This Beacon Hill side chair from Fusion Designs is fully customizable with many finish, fabric and trim options to choose from. Crafted from solid wood, made by skilled craftsmen in Indiana. www.fusiondesign.us

From Fairfield Chair, the Fiona occasional chair was crafted for luxury comfort and casual, at-home living. Covered in contrasting upholstery fabric and outlined with nailhead trim. www.fairfieldchair.com

With more casual living and spacious rooms in mind, the Great Room custom upholstery series from Century Furniture offers comfort with deeper seating options and a lower profile back. Seat depths start at 40 inches and move up to 44 and 48 inches, with seven arm designs and multiple bases. www.centuryfurniture.com

With charming customizations like a Jensen track arm, square loose cushion seat, boxed "T" back cushioned pillow and medium block feet, the Paxton chair is easy to fall in love with. Part of Theodore Alexander's dependable Made to Measure Custom Upholstery Program. www.theodorealexander.com

Featuring a contemporary track arm, Daxton has clean lines for a minimalist look and is part of Sam Moore's Loft Living collection. Further customization options include a choice of two back options, three cushion options and more than 500 fabrics.
