# The Sherrill Way

The process of hand-crafting our furniture uses traditional methods passed down through generations alongside the best of modern techniques.

With over 75 years of experience, Sherrill is your best choice to create upholstered furniture for your home. With skill and care, we blend traditional American hand craftsmanship such as 8-way hand tied springs with modern manufacturing methods. The result is unparalleled custom-made upholstery to fit almost any need. Our styling follows those same principles by combining timeless design elements with exciting contemporary touches to create one-of-a kind upholstery that you'll treasure for years to come. From traditional to contemporary, every piece is handcrafted to exact specifications by skilled North Carolina craftspeople. So enjoy! We thank you for placing your trust and desire for a beautiful home in our hands and know that we are proud to represent your impeccable taste.

Optional Nail Trim can be applied to Scroll and Track Arm panels and/or around base on select Plaza frames. Nails can also be spaced around base (see price list for nail up-charges).
