Sleeper Mechanism & Mattress Specifications

Leggett & Platt INCORPORATED

MECHANISM

- **Double Locking TV Headrest** – provides added comfort while lounging or watching TV by raising the upper body.
- **All Tubular Frame Construction & Dual One Piece Tubular legs** – provide enhanced stability and strength by allowing the unit to be operated from the center and side position.
- **Extended Deck Coverage** – the polypropylene decking is designed to extend beyond the metal frame and linkage parts eliminating any metal to upholstery contract.
- **Seat Support Wires** – provides support while sleeping, plus adding durability to the overall unit. Support wires also give the quality feel of stationary seating.

KINGSDOWN® HANDCRAFTED MATTRESSES SINCE 1904

MATTRESS

5" Interspring mattress is standard.
Air Dream mattress is available for an upcharge.
+ indicates styles available with optional Air Dream mattress.
Queen size mattress 60" x 73" – standard in sleep sofas.
Twin size mattress 32" x 71" – standard in sleep loveseats.

KINGSDOWN's exclusive SLEEP IN MATTRESS INNER ROLL construction makes this the ideal innerspring mattress made for sleep sofa use. The Kingsdown Sleep In Mattress is the standard by which others are judged.

1. **Luxurious comfort** – cover is INNER ROLL quilted to thick layer of Kingsdown quality foam.
2. **Allergy Free** – Exclusive Flexatron is a blend of all man made fibers, thermally bonded in an oven at over 400˚F providing an environmentally friendly and hypoallergenic padding material.
3. **Mildew resistant and odor free** – unlike raw cotton materials which is a natural medium for bacteria growth and retains moisture, FLEXATRON will not host mildew or odors.
4. **Longer life and more support** – inner spring units are totally oven tempered giving the units "memory". The units have resiliency which provides longer lasting performance.
5. **No coil feel** – FLEXATRON insulation is thermally bonded for permanent shaping, wrapping the inner- spring unit, hugging the edges so it can never shift, lump or bunch. This application eliminates pocketing of insulation.
6. **Improved seating comfort when used as a sofa** – Exclusive INNER ROLL construction with channel quilting prevents bunching, easier to fold flatter and store away.
7. **Environmentally friendly mattress** – engineered with all man made fibers and CFC-free foam cushion material does not produce flurocarbons which are damaging to the environment.
8. **Securely locked cover and insulation** – Flanging and hog ringing locks cover and cushioning into place. This INNER LOK process prevents bunching and traveling.

The Best Sleeper Mattress In The House!

Air Dream™ Ultra's core comfort element has been reinforced and improved to provide the maximum in luxurious sleeping and rugged durability, especially when it's used in a hospitality setting! The engineered features that make Air Dream™ Ultra an overnight success are easy to see and feel:

Increased Comfort

- Sleep sofa mattresses have never been this plush - 11" of pure comfort
- Offers the same plush dimensions and luxury feel as premium mattresses
- Innovative technology combines spring coil support with a cushioning layer of air
- Air cushion layer adjusts from plush firm to supportive soft feel
- Separated air chambers distribute body weight evenly for ideal ergonomic support

NEW Ease of Operation

- Embedded inflation/deflation mechanism makes operation one-touch simple with the easy to use hand wand
- Inflates in under a minute, and deflates even faster for quick storage

Improved Durability

- Resilient, tempered bonnell low coils provide lasting buoyancy and support
- Accommodates standard sheets
- Available in twin, full and queen size

Leggett & Platt® Innovation Redefined

Quality For Living... Quality For Life™
